

ARDA

La flessibilità che non ti aspetti

Arda's research has led to the development of Elastika®, an innovative range of technical drawing equipment made using a material offering a major advantage: the ability to bend and revert to its original shape without suffering any damage. It guarantees genuine technical drawing tools, combining flexibility with other essential features: transparency, undeformability and precision measurement.

The real difference that make Elastika® unique and inimitable.

Le département de recherche d'ARDA a donné naissance à Elastika®, une gamme innovante d'instruments de dessin technique réalisée dans une matière qui permet un résultat extraordinaire: la capacité de se plier et de revenir à sa forme originale sans se déformer est la certitude d'avoir en main un instrument qui allie la souplesse aux autres caractéristiques essentielles: transparence, stabilité de la forme et précision de la mesure.

La vraie différence qui fait de Elastika® une gamme unique et inimitable.

Dalla ricerca Arda è nata Elastika®, innovativa linea per il disegno. L'unica che puoi piegare ma torna sempre in forma, senza spezzarsi nè rovinarsi e con la garanzia di utilizzare un vero e proprio strumento da disegno tecnico, che abbina la flessibilità alle altre caratteristiche essenziali: trasparenza, stabilità di forma e precisione delle misure.

Queste le vere differenze che rendono Elastika® unica e inimitabile.
